## SMC Policies are Updated

The SMC Policies & Guidelines have undergone a year long review to take care of a few housekeeping tasks and consider a few updates. Thanks to the hard work of the SPAC forefathers/mothers, staff and board members a comprehensive document was approved in 1987, revised in 1996, and it still needed little change in 2004.

SPAC TV 33 programming guidelines include a better description of how to do underwriting credits, producer responsibilities are clarified, and media formats were revised. SETV 34 & SGTV 35 Mission Statements and Policies are also included in the newest document. We will be getting new booklets printed, so be sure to pick one up and review it.

## SMC Advisory Board Update

The SMC Advisory Board welcomed **Nick Wells** as the newest Board member at the September meeting. Nick will be finishing Kelly Jefferson's term. He has been a Community Producer for over two years, producing the "**Senior Magazine**" and the "**Shrewsbury Garden Club Specials**".

A special thank you to long-time

board member and AVID RED SOX FAN, **Kelly Jefferson**. Kelly dedicated many years of service to SMC over the years as a volunteer, government producer and as our first Government Access Coordinator. She was instrumental in assisting to set up SGTV. We wish her the Best!

The Board has set up a calendar and will review a different aspect of SMC each month. The Board usually meets on the second Wednesday of the month at 7 pm. All members are encouraged to attend meetings and express their ideas regarding the use of SMC. The Advisory Board members are: Laurie Hogan - Chair, Nick Todisco - Vice Chair, John McDonald - Secretary, Donna Pisano, Nick Wells.
